CLASSIC VEHICLE RESTORATION SPECIALISTS

JANUARY 2016 NEWSLETTER

Wishing all SVEC members a very Happy New Year and a huge thank you for your ongoing support.

MASERATI MERAK

Our Maserati is now back from concours paint preparation in its new Indi Verde Green.

As you can see, the engine and gearbox have been stripped and will be rebuilt by our race engine specialist Don Warman.

The stunning new red leather, stitched in green is currently being prepared by our trimmer and the new Green carpets are almost complete. The dash and centre console have been retrimmed in black.

In January, we start the reassembly and this stunning car is now offered for sale, prepared to concours standard.

LOTUS CORTINA MK2 SERIES 1

Lotus Cortina Mk2 Series 1 has been restored in our workshops to concours and is one of the best in the country. A 'no expense spared' restoration. Everything has either been refurbished or renewed. Finished in Ermine White with Sherwood Green stripes. Fully rebuilt and upgraded twin cam engine with correct L block and gearbox. New interior and much much more.

The car is a definite prize winner for the 2016 season and is now offered for sale.

PORSCHE 911 CARRERA TARGA

Our Porsche is now offered for sale. A former concours de elegance entrant has been recommissioned with a full mechanical overhaul, repainted in resplendent Guards Red. The targa roof has been recovered with an original covering and has had a new ceiling cloth. New red piping to the original black leather seats. The Fuchs alloys are unmarked. This car has the desirable G50 gearbox. Valuable number plate included.

MGA CONVERTIBLE

Our MGA is also now painted and will be trimmed in biscuit. Everything has been either renewed or replaced. All new chrome. Fully rebuilt engine and gearbox. Ready mid January, ready for the 2016 season.

It's been a very busy year and we thank all of our customers for their support and welcome new customers for 2016.
